The CDC launches its new website, www.cdclanka.lk with advanced features, to provide an online platform for hopeful migrants.

WHO WE ARE ?

- 🦘 The key to making a successful application is having the right agent who is capable of making an accurate assessment and providing the correct guidance in the process.
- 🦘 If your agent is not up to the mark to deliver speed and efficiency, what may be at risk is your own dream of a better life. Therefore do realize that when you select your agent you are in fact selecting the person who will be responsible for your future plans and dreams.
- 🦘 Once you commence your process with CDC, you will experience the merit of dealing with an organization that has 20 years of combined industry experience.
