Agent ID No: 3001304

The CDC launches it's new website, [www.cdclanka.com](http://www.cdclanka.com) with advanced features, to provide an online platform for hopeful migrants .

## WHO WE ARE ?

-  The key to making a successful application is having the right agent who is capable of making an accurate assessment and providing the correct guidance in the process
-  If your agent is not up to the mark to deliver speed and efficiency, what may be at risk is your own dream of a better life. Therefore do realize that when you select your agent you are in fact selecting the person who will be responsible for your future plans and dreams.
-  Once you commence your process with CDC, you will experience the merit of dealing with an organization that has 19 years of combined industry experience .
